The Cleveland Photographic Society will be judging our photo competition again this year. The judging will be on Saturday, November 17, 2018, at 12:00 noon. Directions for the judging will be in the November *Newsteps*. **All contest entries should be received by October 27, 2018.**

The rules for the 2018 CHC Photo Contest are:

- Photos must have been taken during the previous year: November 1, 2017, through October 27, 2018. All images **must** have been taken while participating in a Cleveland Hiking Club event, i.e., hike, potluck, excursion, etc.
- All images must have been taken by the photographer who submits the image. In other words, you cannot be in a picture that you submit.
- A total of **six (6)** images can be submitted.
- No more than two (2) images can be submitted in the same category.
- Prints must be 8x10 inches.
- **Mats should be 11x14 inches.**
- All prints must be mounted on a sturdy backing and matted using either **black or white mats only**. Mat and backing should be less than 1/8 inch thick.
- Images can be enhanced by correcting the exposure, color saturation, and conventional cropping **only**. This will keep the competition fair to those who do not have Photoshop or other editing software.
- Ribbons will be awarded to **all** first, second, and third place photos, and the photos will be placed on the CHC website.
- The first place photos will be displayed in the cabin for 1 year.
- All photo entries will be displayed at the Holiday Party.
- All photo participants must fill out and sign the Photo Contest Entry Form.

The categories for 2018 are: People, Scenery/Landscape, Flora, Architecture/Structure, Animals/Insects, and Black & White.

Photo contest entries can be given to Chris Rettig or Denise Tobiasz on or before the General Meeting/Chili Cook-Off on October 28.
