

Printing at Your Local Library

A step by step guide to free printing of the
CHC schedule at Cuyahoga County Libraries

Be sure you have your library card with you if you have not created a unique Patron ID yet. When you arrive at the library, go to the public computers. For the Patron ID, type in your library card number without spaces. The PIN should be the last four digits of the phone number on file with the library. If this does not work, visit a librarian so they can reset your PIN. Click OK after entering this information.

The image shows a computer screen with two main components. On the left is a purple and green graphic interface for 'CASSIE™' by Librarica, dated © 2005-2021. It indicates the system is licensed to Cuyahoga County Public Library and displays 'MDHPUB # 16 Available 12:06 PM'. A prompt at the bottom says 'Press a key or move the mouse to begin...'. On the right is a 'Computer Available' dialog box with a close button (X). The dialog contains the instruction 'Enter your Patron ID and PIN to begin using this computer.' and two input fields labeled 'Patron ID' and 'PIN'. Below the fields are 'OK' and 'Cancel' buttons.

Use a browser on the computer to access the internet (You can use Chrome, Firefox, or Microsoft Edge which are all on the computer). Pick one and double click to open internet. Log onto the CHC Website by typing “clevelandhikingclub.org” and click on monthly hikes.
